We are pleased to advise the test results for your wool that has been allocated to the nominated auction sale. Any test results not appearing on this advice will be forwarded to you as soon as they become available.

If you would like to discuss the alternative marketing options that are available, such as the electronic offer board WoolTrade, or the new online auction, WoolTrade Plus, please do not hesitate to contact your local Elders representative, quoting your reference shown above.

In accordance with Elders' terms and conditions for marketing wool we provide clients with a free storage period of six months. After the free storage period expires a daily storage charge applies until the wool is sold.

We thank you for your business and look forward to working with you in the marketing of your wool clip.
